I do hereby Certify that the above First Precinct of the Third Ward (known as the 8th Enumeration District 9th Division) of the City of Allegheny the same having been carefully revised. The reason that the number of names are slightly less than there the No reported on the daily cards was caused in several instances by parties having been enumerated who were taken in other districts and where families were mixed by intermarriage both names were given in two instances and in the Central Hotel from 1st several were taken as boarders who were subsequently scanned only to be represented having made their Corrections and having exercised the greatest pains & care to exclude no names but actual residents and all who are actual residents I can fairly Certify to this enumeration to be strictly correct

There are two Eight Dwellings Page 17 being No 37 two families dwelling house numbered on said appears as No 37 & No both Shanties in No 109 one on Page 18 Lottie Louise Sinclair was not given & her parents at house No 38 Cedar Avenue and she is returned as a family and enumerated house the reason she was not given she was ill Diphtheria and her name was suppressed and I subsequently learned the fact from one of the neighbors The whole No of houses should read 336 and whole No of families should read 438 In 2 or 3 instances I could get no nationality of persons both Negro Germany as names were ignorant of the place of birth of their parents

And by Counsel of Sale I reduced the number some few hundred being on this district having finished the Enumeration on the 13th day of June 1880
